You can't stop dancing with this smart band. Harddiskaunt play in their own way songs by Wailers, Specials, Skatalites and Madness without forget their own hit singles as Lo Squalo or Ganja Song.

All aboard, the ska train is leaving, don't miss it. Next stop your local club!

DANCE, DANCE, DANCE IN A RUDEBOY STYLE!

BAND INFO: Harddiskaunt is a ska band coming from the Spondamagra of Lago Maggiore in the north of Italy. The band play together since 1996 and they like to mix ska with a lot of different music as reggae, swing, surf, and a little bit of italian tarantella...

LIVE! Four voices, guitar, bass, drums, sax, t-bone, keyboards and a lot of style. The band plays a two hours show full of energy and fun. From Napoli to Munich, from Genova to Zagabria every audience enjoyed the show. Harddiskaunt had lot of gigs (about 350) in Italy, Swiss, Germany, Austria and Croatia as headliners or like opening act of bands like Skatalites, Ska-P, Bad Manners, Symarip, New York Ska Jazz Ensemble, Skarface, Wailers, Dog eat dog and many many other.

NO HARDDISKAUNT? NO PARTY!

Harddiskaunt recorded the first demotape in 1997 and it was called Greatest Hits Number 7. In 2000 they recorded Skaterpillar the first official cd with their own label Spondamagra.

In 2003 they recorded Ed è subito party! on Tube Records an independent italian label. In 2006 they recorded La buena y la mala on the german label Elmo. For this international production the band recorded at the Concepepa Studio of Milano (Italy). The mix and the final master has been done in Mexico City at the Manu Estudios by english producer Kevin Kearney, aka Professor of Dub
